

Making good clothes is both a science and an art. The science is that part pertaining to the knowledge of correct designing and cutting; the art to the perfection of finish and style supremacy. It is in all of these elements that the tailoring of Strauss Brothers, Master Tailors, Chicago, excels and it gives us pleasure to announce that we have the exclusive local agency. New Spring and Summer Woollens are now ready for your inspection. You can easily choose a pattern to please you from their great assortment of guaranteed fabrics. You will also be interested in seeing the splendid semi-life-size plates depicting the latest standard fashions. Our prices are very low, consistent with the good tailoring you receive. We invite your early call.

## HOPPE IS THE FAVORITE

In Match With Jacob Schaefer For  
Billiard Championship at 18.1  
Balkline—Contest Tonight.

Special to the Herald.

Chicago, Ill., March 11.—Lovers of billiards are on edge in anticipation of the rare treat in store for them in Orchestra hall tonight, when Jacob Schaefer, the "wizard," will defend the 18.1 championship title against Willie Hoppe, the "boy billiard wonder." Will the veteran meet defeat at the hands of the youngster, or has he a ghost of a show of winning? Sad to relate, it is the opinion of many enthusiasts that the ghost will not be walking in this case, and that Schaefer, who was an expert at the game before Hoppe was born, is nevertheless doomed to taste defeat at the hands of his young rival.

Should Schaefer meet defeat, the boy's victory will be framed with all the ornaments of an ironmonger's shop. But a comparatively short time ago the veterans were disposed to laugh at Hoppe's claim for recognition, and they are credited with telling him to go and get a reputation. The youthful player went, and returned with the 18.2 championship title, which he has wrested from the veteran French expert, Maurice Vignaux. This title he forfeited later to George Sutton. Next week, in New York, Hoppe will play Sutton for the title which he forfeited. If he wins the match with Schaefer tonight and the coming match with Sutton, Hoppe will be the acknowledged champion of the world at the "gentleman's game."

### Women of Medicine Meet.

Special to the Herald.

Rochester, N. Y., March 11.—The steady progress made by women in the field of medicine was evidenced by the large attendance at the annual meeting of the Women's Medical Society of New York state, which was held in this city today. Several score of women physicians and medical instructors, some of them of wide reputation, took part in the proceedings.

Prominent among those who presented papers or addresses were Dr. Martha Wollstein, pathologist at Rockefeller Institute; Dr. Anna Williams, connected with the department of health of New York City; Dr. Elizabeth B. Thelberg, professor of physiology and hygiene at Vassar College; Dr. Ruth Lathrop, professor of physiology of the Women's Medical College of Philadelphia.

### Creamery Buttermakers.

Special to the Herald.

St. Paul, Minn., March 11.—Delegates representing a large section of the country were present today at the opening in this city of the annual convention of the National Creamery Buttermakers' Association. Matters of vital importance to the creamery industry everywhere will be discussed during the three days the convention will be in session. Leading features of the initial session this morning were an address of welcome by Governor Johnson and a response by H. J. Nietert of Iowa, the address of President J. J. Farrell of Minnesota, and the annual report of the secretary-treasurer, S. B. Shilling of Chicago.

### Meeting of Wisconsin Dairymen.

Special to the Herald.

Monroe, Wis., March 11.—Members of the Wisconsin Dairymen's Association, one of the largest and most influential organizations of its kind in the country, met in annual convention here today. The sessions are to continue three days, during which time, in addition to the usual amount of routine business, there will be papers and addresses by faculty members of the State College of Agriculture and by several prominent dairy experts of this and other states.

### Colorado and Kansas In Debate.

Special to the Herald.

Boulder, Colo., March 11.—The debating team of the University of Kansas, accompanied by a delegation of students, has arrived in Boulder in readiness for the debating contest tonight with the representatives of the University of Colorado. The subject selected for debate is: "Resolved, That congress should enact a national income tax; all questions of constitutionality waived."

# No Change Necessary In Rexall Remedies

The new Pure Food Law requires every patent medicine manufacturer to tell just what dangerous drug is in his medicine. Certain periodicals interested in patent medicine reform have declared that the formulas of many patent medicines will have to be changed before the manufacturers will dare conform with this law. These periodicals also declare that the public will never know of these changes, and never know what these remedies formerly contained.

This suspicion, however, cannot rest upon Rexall Remedies. You have absolute proof that Rexall Remedies have not been changed to conform with the new Pure Food Law, because you knew the formulas of these remedies four years ago! The Rexall formulas were never secret. The thousand Rexall druggists have always known all the Rexall formulas and given them to every customer who asked for them.

No one Rexall Remedy was ever claimed to be a "cure-all"—each of the 300 remedies is designed to cure a certain human ill—and does it. These 300 remedies were selected from among thousands because they were the most reliable and successful cures in the world. Far from wishing to conceal the formulas of these remedies, we are proud to tell just what they are, and always have been.

That's where the Rexall plan goes further to safeguard you than does the Pure Food Law. Even now you'll only know the dangerous drugs in other patent medicines, while you have always been able to know the complete formulas of Rexall Remedies!

The Rexall guarantee has been the greatest evidence of the sincerity back of the Rexall Remedies. For four years Rexall druggists have offered to return the money to any one who brought back an empty Rexall bottle or package and said they were not satisfied.

We, as one of the Rexall druggists, feel a genuine satisfaction in having been able to supply this community for four years with one line of medicines which the United States Government by its new Pure Food Law shows were always made right and sold right, and have deserved every bit of the faith you have had in them.

The Pure Food Law may necessitate changes in other medicines, but it only endorses Rexall Remedies.

## BRATTON DRUG COMPANY

The Rexall Store

A few of the 300 famous REXALL Remedies, one for each human ill, are:

### FOR CATARRH—MUCU-TONE

The chief ingredients of Mucu-Tone are Gentian, Cubebs, Cascara Sagrada, Glycine and Sarsaparilla. Gentian is recognized in medicine as one of the greatest tonics ever discovered. It combines the tonic powers of all known "bitters," with none of the disadvantages applying to any. Cubebs have long been recognized as a specific in the treatment of all catarrhal conditions. Its action is prompt and its benefit almost invariably. Cascara Sagrada is especially introduced for its unapproachable laxative properties. The combination of these with Glycine and Sarsaparilla makes Mucu-Tone a remedy that attacks catarrh from every point and gradually restores the diseased tissues. Bottle, 50c.

### FOR NERVES—AMERICANIS Elixir

The Rexall Americanis Elixir is a tonic nerve food composed chiefly of free Phosphorus, Glycophosphates, Iron Pyrophosphate and Calisaya. The wonderful results of this remedy are due to the fact that it supplies Phosphorus to the nerve cells in a condition in which it can be immediately and easily taken up by them. The Glycophosphates, actual nerve-tissue builders, are one of the most recent and valuable additions to this branch of medicine and unquestionably a more efficient remedy than the well-known Hypophosphites. The Iron Pyrophosphates are the most easily assimilated form of iron which give tone and color, and the combined alkaloids of Calisaya Bark have a tonic effect on almost all the functions of the body. 75c. and \$1.50 a bottle.

### REXALL "93" HAIR TONIC

The famous Rexall "93" Hair Tonic is composed in chief of Resorcin, Beta Naphthol and Pilocarpin. Resorcin is one of the latest and most effective germ-killers discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which not only destroys the germs which rob the hair of its nutriment, but creates a clean and healthy condition of the scalp, which prevents the development of new germs. Pilocarpin is a well-known agent for restoring the hair to its natural color, where the loss of color has been due to a disease of the scalp. It is not a coloring matter or dye. This combination of curatives mixed with alcohol as a stimulant, perfects the most effective remedy for hair and scalp troubles known today. Per bottle, 50c.

### "REXALL" ORDERLIES

The New Laxative

If you suffer from constipation or a sluggish liver, we want you to try this newest member of the Rexall family. It has never failed. "Rexall" Orderlies have all the virtues and none of the defects of those laxatives and cathartics already known. They are harmless vanilla-flavored tablets that effect a re-adjustment of Nature's functions—no griping, no nausea, no purging. Pleasant to the taste—they give immediate relief. A trial will prove to you that they are the best laxative and cathartic ever prescribed. 10c. a box of twelve; 25c. a box of 36.

## The House-Rent Question
